Mr. Villa advises he believes a video feed is needed unless we know how many fit in Rio Grande; believes we'll have to do waivers; Court notes 110 jurors fit into the Rio Grande courtroom; need for waivers; and need for video feed; Court notes Rio Grande fits up to 110 and can use Rio Grande for jury selection, then move to Cimarron for trial.

Mr. Villa asks about Dr. Cohen bring his phone and laptop into the courtroom tomorrow; Court has no problem with that and just phone chambers in the AM if there is any problem.

5:14 Court in recess.
